

To foreign residents

We hope you are getting used to life here.
We also want to express our appreciation to especially those who work in manufacturing industry.
We kindly ask you to follow the garbage disposal rules when you throw away household garbage.
Thank you very much for your understanding and respect for our culture.
※ Under provision of Article 25, paragraph (1) (Act No. 14)
You can be given a penalty of five-years imprisonment, a fine of below ten million yen or both, for unfollowing the public guidelines.
Please feel free to contact us (numbers below) if you have any questions.

Regarding garbage disposal : The Department of family registration and environment located at the town hall
0242-84-1500
